1. Presentation and discussion: Interactive Budget Worksheet training for Fiscal Year 2023-2024

Finance Director Rudy Zepeda showed Council step-by-step everything that is needed to build a budget and said that to aid transparency during the budget development process, any "what ifs" that are discussed and explored using the interactive budget spreadsheet can be preserved by staff to refer back to as needed. Mr. Zepeda let Council know that he could have one-on-one meetings with anyone who may have any questions or concerns to help Council better understand the process. It was the consensus of Council to meet with all department heads during the development of the Fiscal Year 2023-2024 budget, to address the wants and need for each individual department.

Motion by Councilmember Noto to adjourn. The motion passed and the meeting adjourned at 6:37 p.m.
